Re: Conditions of Consent E2 and E3

Dear Megan,

Reference is made to SSD 9787 Conditions of Consent E2 and E3 in relation to the External Walls and Cladding requirements to the development.

Documentation has been provided to the Certifier providing evidence that the products and systems used in the construction of external walls including finishes and claddings such as synthetic or aluminium composite panels comply with the requirements of the BCA. The Certifier has reviewed the documentation provided and confirmed compliance with Consent Condition E2.

In accordance with Condition of Consent E3, please find attached a copy of the documentation given to the Certifier to address the requirements of the Conditions of Consent E2.

Should you require further clarification on the submission, please feel free to contact either Katherine Daunt or Edward Clode at dwp Australia Pty.

Yours sincerely,

Edward Clode
