

Appendix A

65 Muston St, Mosman NSW 2088

Camera positions map with proposed D.A site in magenta

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline, view gain in yellow

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Photomontage in orange frame, nested in panorama for natural field of view.

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline

Site Image

Photomontage of Proposal

Photomontage of Proposal including future potential LMR schemes with IAH bonus applied

Visual impact in cyan with red outline

Visual impact in cyan with red outline and future context outline
