NOTES

These drawings are shown in colour and shall be read in digital format or print colour hardcopy.

These drawings shall be read in conjunction with all relevant information (not limited to legends, schedules, specifications).

These drawings shall be read in conjunction with any Engineers, Architects or other consultant information (not limited to drawings, legends, schedules, specifications).

Check all dimensions and site conditions prior to commencement of any work and the procurement of any services, materials, fittings, fabrication or equipment.

Do not scale drawings - refer to figured drawings only. Any discrepancies shall immediately be referred to the Landscape Architect for clarification.

All drawings shall not be reproduced or distributed without prior permission of the Landscape Architect.

WARNING

Services shown on this drawing are approximate only. The exact location is to be confirmed on site by contractor prior to commencement of work.
