Dear Ms. Ballango,

**Redevelopment of Sydney Football Stadium – Stage 2 (SSD-9835)
Out of Hours Work Request, Condition C6**

I refer to your submission seeking approval of the Planning Secretary for Out of Hours Work (OOHW) request for a crane demobilisation under condition C6 of SSD-9835. I acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the OOHW request:

- has been reviewed by the Applicant and no issues have been raised;
- includes a noise assessment modelling report; and
- has been submitted to the Planning Secretary before undertaking the proposed OOHW.

Accordingly, as nominee of the Planning Secretary, I approve the OOHW to be carried out on **Sunday 26 June 2022 between 7am to 5pm** under condition C6 of the consent subject to:

1. notifying the affected residents, prior to the commencement of OOHW, as per the timeline specified in the project Community Communication Strategy;
2. providing affected residents the contact details including phone number of the Site Manager so that safety and/or environmental concerns, if any, can be lodged and responded to promptly;
3. implementing all noise control measures including staff/employee induction, supervision, switching off engines when not in use, etc., as per your application submitted to the Planning Secretary; and
4. managing any community complaints or concerns as per your established complaints management system under the project Construction Environmental Management Plan and Community Communication Strategy.

I remind you that you must check and/or obtain any required permit, permission, or approval from the landowners and/or other relevant authorities, such as Police and Fire and Rescue NSW, before carrying out the proposed OOHW.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of conditions of consent will prevail.

If you have any questions or would like to discuss this matter, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
