**Redevelopment of Sydney Football Stadium – Stage 2 (SSD-9835)**  
**Pedestrian Route Capacity Analysis, Conditions D10 and D11**

---

---

Dear Ms. Ballango,

I refer to the Pedestrian Route Capacity Analysis (PRCA) seeking approval of the Planning Secretary under condition D11 of SSD-9835. I also acknowledge and thank you for your response to the Department's request for additional information.

I note that the updated PRCA:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with TfNSW, Council, NSW Police, Venues NSW and Greater Sydney Parklands Trust;
- has been endorsed by TfNSW;
- contains the information required by condition D10 of the consent; and
- has been submitted to the Department within four (4) weeks of TfNSW endorsement and prior to the commencement of operations of the stadium.

Accordingly, as nominee of the Planning Secretary, I approve the updated Pedestrian Route Capacity Analysis, Revision C dated 29 July 2022, under condition D11 of SSD-9835.

I remind you to consider pedestrian access during operations of the stadium as part of review of the relevant operational management plans in accordance with conditions A9 to A14 of the consent. The updated plan must be submitted to the Planning Secretary.

Please note that if there is any inconsistency between the approved documents and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions or would like to seek any clarification, please do not hesitate to contact Matt Wood on 9373 2855, or at [matthew.wood@dpie.nsw.gov.au](mailto:matthew.wood@dpie.nsw.gov.au).

Yours sincerely
