**Redevelopment of Sydney Football Stadium – Stage 2 (SSD-9835)
Event Car Parking Management Plan, Condition D50**

Dear Ms. Ballango,

I refer to the Event Car Parking Management Plan (ECPMP) submitted to the Planning Secretary for approval in accordance with condition D50 of SSD-9835. I also acknowledge and thank you for your response to the Department's request for additional information.

I note that the ECPMP:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with the identified stakeholders such as TfNSW, Council, CCC, Venues NSW and Greater Sydney Parklands Trust;
- has been endorsed by TfNSW;
- contains the information required by condition D50 of the consent; and
- has been submitted to the Department prior to the commencement of operations of the stadium.

Accordingly, as nominee of the Planning Secretary, I approve the revised Event Car Parking Management Plan, Revision 7 dated 1 August 2022, in accordance with condition D50 of SSD-9835.

I remind you that it is critical for VNSW to review the ECPMP post occupation of the stadium as part of the review for the identified operational management plans listed under condition A9, and in accordance with conditions A10 to A14 of the consent.

Please note that if there is any inconsistency between the approved documents and the conditions of consent, then the requirements of the conditions of consent will prevail.

Please ensure that the approved ECPMP is placed on the project website at your earliest convenience.

If you have any questions or would like to seek any clarification, please do not hesitate to contact Matt Wood on 9373 2855, or at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
