Dear Ms Shires,

**Sydney Football Stadium Redevelopment – Stage 2 (SSD-9835)
Operation Community Consultative Committee, Condition B17**

Thank you for your letter dated 28 September 2022 advising the Department that Venues NSW (VNSW) is refreshing the membership of the Community Consultative Committee (CCC) for the project in accordance with condition B17 of SSD-9835.

The stadium commenced operation on 28 August 2022 and the Department acknowledges that you propose operation of the CCC for at least 12 months from that date, in accordance with the proposed terms of reference in your letter.

As previously advised, the Department by this letter confirms appointment of Professor Helen Lochhead as the independent chairperson of the CCC for the project. The Department will separately write to Professor Lochhead to confirm her appointment.

The Department understands that the chairperson and VNSW will finalise arrangements for the establishment and operation of the refreshed CCC. The Department notes that the chairperson will now seek expressions of interest from suitable community members and relevant stakeholders to sit on the CCC. Once the chairperson's review of applications is finalised, the independent chairperson will seek formal approval of the recommended community members from the Department in accordance with the *CCC Guideline State Significant Projects* (January 2019).

Please note, the chairperson may modify the proposed Terms of Reference for the CCC in consultation with the Department and VNSW upon establishment of the CCC.

If you have any questions, please contact Shiraz Ahmed at shiraz.ahmed@planning.nsw.gov.au.

Yours sincerely

Dominic Crinnion
