Staging Report for Multi Storey Car Park and Precinct Village, Condition A25

Dear Ms Shires,

I refer to the Staging Report submitted to the Planning Secretary for approval under condition A25 of SSD-9835. I also acknowledge and thank you for your response to the Department's request for additional information.

I note the Staging Report:

- relates to Stage 1 construction works for the Multi Storey Car Park and Precinct Village;
- has been reviewed by the Applicant, and no issues have been raised with the Department;
- addresses the requirements of condition A26 of the consent; and
- submitted to the Department prior to commencement of construction works.

Accordingly, as nominee of the Planning Secretary, I approve the Staging Report for Stage 1 construction of the Multi Storey Car Park and Precinct Village, dated 12 April 2023, under condition A25 of SSD-9835.

I remind you to submit a revised Staging Report for the Planning Secretary's approval prior to the commencement of construction of Stages 2, 3 and 4 works once the program details have been finalised.

Please note that if there are any inconsistencies between the submitted Staging Report and the conditions of consent, then the conditions will prevail.

Also, please make the Staging Report publicly available on the project website at least 48 hours before the commencement of construction works as per condition A36 of SSD-9835.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
