Sydney Football Stadium Redevelopment - Stage 2 (SSD-9835)

Revised Construction Noise and Vibration Management Plan, Conditions B28 and B29

Dear Ms Shires

I refer to the revised Construction Noise and Vibration Management Plan (CNVMP) submitted to the Planning Secretary under condition B29 of SSD-9835. I also acknowledge and thank you for your response to the Department's request for additional information.

I note the revised CNVMP:

- relates to Stage 1 (aka CC1) construction works only for the Multi Storey Car Park and Precinct Village;
- has been reviewed by the Applicant, and no issues have been raised with the Department;
- addresses the requirements of condition B28 of the consent; and
- has been submitted to the Department prior to commencement of construction works.

Accordingly, as nominee of the Planning Secretary, I approve the revised CNVMP for Stage 1 of the Multi Storey Car Park and Precinct Village, Issue 9 dated 15 May 2023, under condition B29 of SSD-9835.

All mitigation and management measures identified in the plan must be installed or implemented on the site prior to commencement of works as per condition B30. Review of the intra-day respite periods in consultation with Kira Child Care Centre, UTS and Fox Studios must be also conducted on a monthly basis as per condition C18.

In accordance with condition A36 of SSD-9835, please make the revised CNVMP publicly available on the project website at least 48 hours before the commencement of construction works.

Please note that if there are any inconsistencies between this revised CNVMP and the conditions of consent, then the conditions will prevail.

Finally, the Department requires a revised CNVMP (or CNVMPs) to be submitted to the Planning Secretary for approval prior to the commencement of future stages (eg. Stages 2 to 4, aka CC2-CC4) of the Multi Storey Car Park and Precinct Village. I remind you that evidence of strategies that are being developed in consultation with the community as per condition B28(g) must be provided to the Planning Secretary in any future revision of the CNVMP. The Department also requests that the revised CNVMP(s) for Stages 2 to 4 contain noise contour mapping.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

A handwritten signature in dark ink, appearing to read 'D Crinnion'. The signature is written in a cursive style with a large 'D' and a stylized 'Crinnion'.
