Dear Ms O'Neil

**Sydney Football Stadium Redevelopment (SSD-9835)
Post-occupation Review of Event Operations, Condition A12**

I refer to the Post-occupation Review (POR) of Event Operations report prepared in accordance with condition A10 and A13, and submitted to the Planning Secretary under condition A12 of SSD-9835.

I note the POR report:

- describes the operational compliance status of events held at the stadium over a 6-month reporting period between September 2022 and February 2023; and
- includes, among other things, the outcomes of the Social impact monitoring program.

Accordingly, I acknowledge receipt of the POR report for our information under condition A12 of SSD-9835.

Please note that acknowledgement of the POR report is not an endorsement of the compliance status of stadium operations. Further, this acknowledgement does not preclude the Department from investigating any aspect of the POR report in future, if it becomes apparent that enquiries are necessary to investigate any compliance-related matters.

Also, please ensure that the POR report is available for public access on the project website at the earliest convenience.

If you have any questions, please contact Hala Fua, who can be contacted at hala.fua@planning.nsw.gov.au.

Yours sincerely

Dominic Crinnion
