Revised Community Communications Strategy, Condition A55

Dear Ms Shires

I refer to the revised Community Communications Strategy (CCS) submitted to the Planning Secretary under condition A55 of SSD-9835. I also acknowledge and thank you for your response to the Department's request for additional information.

I note the revised CCS:

- has been updated following the determination of Mod-7 for Multi Storey Car Park and Precinct Village (MSCP&PV);
- relates to the MSCP &PV Stage 1 and Stage 2 construction works only (CC1 and CC2);
- has been reviewed by the Applicant, and no issues have been raised to the Department;
- was submitted to the Department prior to commencement of construction works; and
- addresses the requirements of condition B19 of the consent.

Accordingly, as nominee of the Planning Secretary, I approve the revised CCS for Stage 1 and Stage 2 of the Multi Storey Car Park and Precinct Village, Revision 02 dated 26 July 2023, under condition A55 of SSD-9835.

Please note that if there are any inconsistencies between this revised CCS and the conditions of consent, then the conditions will prevail.

Also, please make the revised CCS available for public access on the project website in accordance with condition A36 of SSD-9835.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
