**Sydney Football Stadium Redevelopment Stage 2 (SSD-9835)
Revised Operational Noise Management Plan, Conditions A55, D48**

Dear Mr Raggatt

I refer to the revised Operational Noise Management Plan (ONMP) submitted to the Planning Secretary under condition A55, Schedule 2 of the project Development Consent for the Sydney Football Stadium Redevelopment Stage 2 (SSD-9835). I acknowledge and thank you for your response to the Department's review comments, and request for additional information.

The revision of the ONMP was instigated by Venues NSW (VNSW) following the approval of a modification to the consent (SSD-9835-MOD-8) on 15 December 2023, and revocation of the NSW EPA's Notice of Prevention No. 1003904 in late 2023.

The Department has carefully reviewed the revised ONMP, and is satisfied that the amendments are consistent with the conditions of consent as modified and reflects the current regulatory regime that applies to the stadium with the revocation of EPA's prevention notice.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Operational Noise Management Plan, Revision V15 dated April 2024, is prepared as per condition A55 of SSD-9835.

Please note that if there are any inconsistencies between the approved revised ONMP and the conditions of consent, the conditions will prevail.

Also, please make the revised ONMP along with this approval letter available for public access as per condition A36.

If you have any questions, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely

Dominic Crinnion
