**Sydney Football Stadium Redevelopment – Stage 2 (SSD-9835)
Construction Noise Monitoring Report, Condition C17**

Dear Ms O'Neil

I refer to the Construction Noise Monitoring Report for the period September to November 2024 (the report), submitted to the Planning Secretary in accordance with condition C17, Schedule 2 of the project Development Consent for the Sydney Football Stadium Redevelopment – Stage 2 (SSD-9835).

I note that the report:

- was reviewed by the Applicant, and no issues were raised to the Department;
- relates to the construction noise emanating from the Precinct Village and Carpark works/activities;
- includes short-term attended and long-term unattended noise monitoring data at specific identified locations; and
- confirms no exceedances of the NMLs including implementation of recommended mitigation measures.

Accordingly, I acknowledge receipt of the Construction Noise Monitoring Report, Rev 2 dated 30 November 2024, prepared by BESIX Watpack, for our information under condition C17 of SSD-9835.

Please note that if there are any inconsistencies between the submitted report and the conditions of consent, the conditions will prevail

Also, please make the report including this letter available for public access on the project website at the earliest convenience, if not done already.

Should you have any questions, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
