**Sydney Football Stadium Redevelopment - Stage 2 (SSD-9835)
Revised Staging Report for Precinct Village and Multi-Level Car Park, Condition A55**

Dear Ms O'Neill

I refer to your revised Staging Report for the Precinct Village and Multi-Level Car Park (PV&MLCP) - Main works submitted to the Planning Secretary for approval under condition A55 of SSD-9835. I also acknowledge and thank you for your response to the Department's request for additional information.

I note the revised Staging Report:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated because of Modification 10 determination, and to revise the construction program for Stage 1 (now complete) to Stage 3 construction of the PV&MLCP - Main works; and
- addresses the requirements of condition A26 of the consent.

Accordingly, as nominee of the Planning Secretary, I approve the revised Staging Report, dated 10 April 2025, for the PV&MLCP – Main works under condition A55 of SSD-9835.

Should the Applicant update the approved Staging Report with further changes, the updated Staging Report for the PV&MLCP must be submitted to the Planning Secretary for approval.

Please note that if there are any inconsistencies between the approved revised Staging Report and the conditions of consent, the conditions will prevail.

Also, please make the approved revised Staging Report including this approval letter available for public access on the project website as per condition A36 of SSD-9835.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
