**Sydney Football Stadium Redevelopment – Stage 2 (SSD-9835)
Revised Construction Environmental Management, Conditions A28(c) & B22**

Dear Miss Velthuis

I refer to the revised Construction Environmental Management Plan (CEMP) submitted to the Planning Secretary in accordance with Condition A28(c) of SSD-9835 (as modified). I acknowledge and thank you for your response to the Department's review comments, and request for further information.

I note that the revised CEMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- applies to the construction of the Precinct Village and Multi-level Carpark and was developed under Condition B22 of the consent; and
- has included an updated organisation structure of the project team.

Accordingly, as nominee of the Planning Secretary, I approve the revised CEMP, Version 07, dated 25 March 2026, prepared by BESIX Watpac, in accordance with Condition A28(c) of SSD-9835.

You are reminded that if there are any inconsistencies between the approved CEMP and the conditions of consent, the conditions will prevail.

Please ensure that the revised CEMP including the Department letter are placed on the project website for public access at the earliest convenience.

If you wish to discuss the matter further, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
