- has been submitted within three months of the approval of modification to the consent.

As nominee of the Planning Secretary, I approve the revised Construction Noise and Vibration Management Plan, issue 3 dated 2 February 2021, under condition A55(d) of SSD 9835.

Please submit a clean copy of the revised CN&VMP for the Department's record

I note that the following revised plans have also been submitted to the Department for information:

Please note that If there is any inconsistency between the approved document and the conditions of consent, then the requirements of consent will prevail.

Yours sincerely
