Dear Ms Ballango,

**Sydney Football Stadium Redevelopment (SSD 9835)
Extension of Time to Out of Hours Work (OOHW) - Condition C6**

I refer to your request for an extension of time to OOHW for the delivery of oversized plant or structures under condition C6 of the conditions of consent for the Sydney Football Stadium Redevelopment SSD 9835. I also acknowledge your response to the Department's review comments and requests for additional information.

As nominee of the Planning Secretary, I approve the extension of OOHW until 30 June 2022, subject to conditions stated in the Department's approval letter of 12 June 2020, in accordance with condition C6 of SSD 9835.

Please note that the approval does not apply to unloading, loading, installation or operation of any plant or equipment which would only occur during prescribed construction working hours.

This approval may be reviewed should there be noise or traffic complaints including unsatisfactory noise mitigation and control measures.

You are reminded to obtain any permit, permission or approval from the City of Sydney Council, National Heavy Vehicle Regulator, Police, or any other relevant authorities prior to the commencement of deliveries or demobilising heavy plant or structures.

If you wish to discuss this matter further, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
A/Director - Infrastructure Management
