Dear Jake

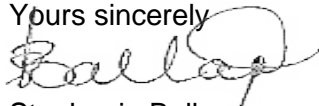

**Re: Sydney Football Stadium – Stage 2 (SSD 9835)
Out of Hours Work Request – Installation of Roof Structures**

Infrastructure NSW refers to SSD 9835 for Sydney Football Stadium Stage 2 (Design, construction and operation), which was approved by the Minister for Planning and Public Spaces on 6 December 2019, and the Out of Hours Works approval issued by the Department on 28 April 2021 to undertake roof installation works outside of the approved construction hours.

Please be advised that there were no instances of out of hours works undertaken in relation to SSD 9835 for the roof structures in the month of July. 2021 Accordingly a noise monitoring report is not intended to be submitted.

Should you have any questions regarding this letter please contact the undersigned on 0412 775 365.

Yours sincerely
