I note that the CEMP and relevant management sub-plans have been revised following approval of modification 6 (not 7 as mentioned in the submission letter) to the project development consent.

I also note that the relevant management sub-plans include:

- Construction waste management sub-plan, Rev C dated 2 November 2021, condition B24
- Construction soil & water management sub-plan, Rev E dated 2 November 2011, condition B25
- Construction air quality management sub-plan, Rev E dated 2 November 2021, condition B26
- Biodiversity management sub-plan, Rev C dated 2 November 2011, condition B27; and
- Aboriginal cultural heritage management plan, Rev D dated 2 November 2011, condition B41

The CEMP and relevant management sub-plans were previously approved by the Certifying Authority under condition B23 of the consent, I, therefore, acknowledge receipt of the revised CEMP, Rev C dated 1 November 2021, and relevant management sub-plans for our information under condition A55 of SSD 9835.
