Landscape Plans, Condition B31

Dear Ms Saunders

I refer to your Landscape plans and supporting documentation submitted to the Planning Secretary under condition B31 of SSD-9838218.

I note the Landscape plans were accepted by the Certifier on 3 June 2024. I also note that MOD-2 was approved by the Department on 10 April 2024, resulting in an updated condition B31 reference to Landscape SSDA Report dated 14 February 2024.

Accordingly, the Department has filed the Landscape plans and supporting documentation for our information.

Please note that if there are any inconsistencies between the submitted Landscape plans and the conditions of consent, the conditions will prevail.

Also, please make the Landscape plans available for public access on the project website at the earliest convenience if already not done so.

Yours sincerely
