**Griffith Base Hospital Redevelopment (SSD-9828318)**  
**Emergency Vehicle Access – Warrambool Street, Condition D35**

Dear Ms Saunders

I refer to your details of consultation with St Patrick's Primary School regarding an education safety campaign for students, staff and parents to raise awareness before the emergency vehicle entry is commissioned for use by NSW Ambulance, and the outcomes and agreed actions submitted to the Planning Secretary under condition D35 of SSD-9828318.

I note the details demonstrate that communication took place between Health Infrastructure NSW and Catholic Schools (St Patrick's Primary School), via a meeting held on 31 July 2024. Also, I note that the details have been submitted to the Department prior to commencement of operation.

Accordingly, the Department has filed the details for our information.

I remind you to address the agreed actions as detailed in the email chain evidence dated 31 July 2024, if not already done. Also, if further evidence of a return email demonstrating agreement is available, please submit it to the Department for information.

Please note that if there are any inconsistencies between the submitted details and the conditions of consent, the conditions will prevail.

Should you have any questions, please contact Jeremy Martin at [jeremy.martin@dpie.nsw.gov.au](mailto:jeremy.martin@dpie.nsw.gov.au).

Yours sincerely

Shiraz Ahmed  
Team Leader - Social Infrastructure Projects  
Infrastructure Management

As nominee of the Planning Secretary
