Dear Mr. Cooper,

St Matthews Catholic College (SSD-9872)
Green Travel Plan, Condition E14

I refer to the Green Travel Plan (GTP) submitted to seek satisfaction of the Planning Secretary under condition E14 of the project development consent for the St Matthews Catholic College (SSD-9872). I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the updated GTP:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with the School, Council, TfNSW, and Bus Operators;
- contains the information required by condition E14; and
- has been submitted to the Planning Secretary prior to issuing an Occupation Certificate of the development.

Accordingly, as nominee of the Planning Secretary, I am satisfied that an updated Green Travel Plan, Version V05 dated 15 September 2022, prepared by TTPP, has been prepared in accordance with condition E14 of SSD-9872.

I remind you to review the GTP on regular basis and update it, as required, with an initial review to take place following three (3) months of operation of the college. Also, the GTP, as updated from time to time, must be implemented for the life of the development under condition F13 of SSD-9872.

Please note that if there are any inconsistency between the submitted documents and the conditions of consent, then the requirements of the conditions of consent will prevail.

Also, please place the updated GTP on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood, who can be contacted on 9373 2855, or at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
