Subject: Walla Walla Solar Farm (SSD-9874) - RTS

To whom it may concern,

Thank you for the opportunity to provide advice on the Response to Submissions report for the Walla Walla Solar Farm (SSD-9874). This is a response from the Department of Planning and Environment – Division of Resources and Geoscience (the Division).

The Division has reviewed the proposal throughout the previous stages of planning process and were satisfied that the Secretary's Environmental Assessment Requirements had been addressed. The Division has no further comments in relation to the RTS.

Queries regarding the above information should be directed to the Division of Resources & Geoscience - Land Use team at landuse.minerals@geoscience.nsw.gov.au

Kind regards,

Grant Taylor
Geoscientist

The Department of Regional New South Wales acknowledges that it stands on Country which always was and always will be Aboriginal land. We acknowledge the Traditional Custodians of the land and waters, and we show our respect for Elders past, present and emerging. We are committed to providing places in which Aboriginal people are included socially, culturally and economically through thoughtful and collaborative approaches to our work.
