Subject: Walla Walla Solar Farm – Pre-construction Dilapidation Survey

Dear Mr Beckett

I refer to your submission requesting approval of the Pre-construction Dilapidation Survey, which was submitted in accordance with condition 8(a) of Schedule 3 of the development consent for the Walla Walla Solar Farm (SSD-9874).

The Department notes that the Pre-construction Dilapidation Survey:

- has been prepared in consultation with Greater Hume Council; and
- contains the information required by the condition of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Pre-construction Dilapidation Survey (Rev A1 dated 8 August 2022).

You are reminded that if there are any inconsistencies between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at kurtis.wathen@dpie.nsw.gov.au.

Yours sincerely
