Subject: Walla Walla Solar Farm – Biodiversity Management Plan

Dear Mr Beckett

I refer to your submission requesting approval of the Biodiversity Management Plan, which was submitted in accordance with condition 16 of Schedule 3 of the development consent for the Walla Walla Solar Farm (SSD-9874).

The Department notes that the Biodiversity Management Plan:

- has been prepared in consultation with the Department's Biodiversity, Conservation and Science Directorate; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan (Final V 2, dated 5 December 2022).

You are reminded that if there are any inconsistencies between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on (02) 8289 6981 or at kurtis.wathen@dpie.nsw.gov.au.

Yours sincerely
