Subject: Walla Walla Solar Farm – Environmental Management Strategy (SSD-9874-PA-9)

Dear Mr Beckett

I refer your submission requesting approval of the Environmental Management Strategy, which was submitted in accordance with Condition 1 of Schedule 4 of the development consent for the Walla Walla Solar Farm (SSD-9874).

The Department notes that the Environmental Management Strategy contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Final v1.0 dated 17 November 2022).

You are reminded that if there are any inconsistencies between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at [kurtis.wathen@dpie.nsw.gov.au](mailto:kurtis.wathen@dpie.nsw.gov.au).

Yours sincerely
