Dear Ms. Elder,

**Sport and Wellbeing Centre, Roseville College (SSD-9912)
Construction Worker Transport Strategy, Condition B19**

I refer to the Construction Worker Transport Strategy (CWTS) submitted for the satisfaction of the Planning Secretary in accordance with condition B19 of SSD-9912. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the CWTS:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition B19 of the consent; and
- has been submitted to the Planning Secretary prior to the commencement of construction.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the CWTS, Issue 3 dated 15 July 2022, has been prepared in accordance with condition B19 of SSD-9912.

You are reminded to distribute the Transport Information Pack to construction workers once finalised.

Please note if complaints are received from community in relation to local parking and traffic, opportunities for off-site parking arrangements may be required to be investigated further, in accordance with condition B19(b).

If there is any inconsistency between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions, please contact Matt Wood, who can be contacted on 9373 2855 or at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
