**Request for Further Time Extension for Green Star Certification, Condition E11**

---

Dear Ms Elder

I refer to your letter dated 13 January 2026 seeking the agreement of the Planning Secretary for further time extension to submit a Green Star certification, demonstrating achieving a minimum 4-star Green Star Design & As Built rating, as per condition E11 of SSD-9912.

I note that the previous time extension granted by the Department for Ecologically Sustainable Development (ESD) certification, processed under PA-39, expires on 29 January 2026.

I also note that the design Consultant has submitted the additional information to the Green Building Council of Australia (GBCA) on 20 November 2025 as per a Request for Further Information. Under the circumstance, it is likely that ESD certification will not be obtained by 29 January 2026, and thus a further time extension is requested.

Accordingly, as nominee of the Planning Secretary, I agree to further extend the time to submit a 4-star Green Star certification to the Department by 31 March 2026.

Please follow up the matter with the GBCA actively, and provide them with the relevant information, if requested, to avoid any further delays in obtaining ESD certification for the project.

If you have any questions, please contact Shiraz Ahmed at [shiraz.ahmed@planning.nsw.gov.au](mailto:shiraz.ahmed@planning.nsw.gov.au).

Yours sincerely
