## PRESCHOOL & GAMES COURT

### Preschool

- Active and quiet areas are delineated by planted gardens of various heights to maintain visual connections across the play space. Turfed and paved areas to encourage a range of activities
- An artistic sculptural fence delineates the boundary of the preschool play area - the 'fence' aims to provide visually open and connected portions and some screened areas (to encourage student interaction)

- Centrally located supervision hub to allow views in all directions

### Games court

- Provide multicourt space for ball games, other games and exercise play area.
- Integrated rain garden for Waster Sensitive Urban Design
- Vertical elements provide shelter from wayward ballgames.

#### GENERAL NOTES
