Subject: Parramatta Light Rail Stage 2 Enabling Works (SSI 10035). Request for Approval of Pedestrian and Cycling Infrastructure Strategy (PCIS) (Condition E122)

Dear Ms Dias,

I refer to the 'Pedestrian and Cycling Infrastructure Strategy', Revision 1, dated 21 August 2025 which was submitted to the Department for approval as required under condition E122 of SSI-10035. I also acknowledge and thank you for your responses to the Department's review comments and request for additional information.

I note the Pedestrian and Cycling Infrastructure Strategy (PCIS), Rev 1:

- has been prepared by an appropriately qualified and experienced expert and endorsed by the project Design Review Panel;
- has been prepared in consultation with key stakeholders including Sydney Olympic Park Authority, City of Parramatta Council, Bicycle NSW and the Pedestrian Council of Australia; and
- has been reviewed by Transport for NSW with no issues raised with the Department.
-

Accordingly, as nominee of the Planning Secretary, I approve the 'Pedestrian and Cycling Infrastructure Strategy', Revision 1, dated 21 August 2025 in accordance with condition E122 of SSI-10035.

You are reminded that if there are any inconsistencies between the PCIS and the conditions of approval, the conditions prevail.

Please ensure you make the PCIS publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Leanne Mariani at leanne.mariani@dpie.nsw.gov.au.

Yours sincerely

Sam Heaton
Acting Team Leader
Infrastructure Management

As nominee of the Planning Secretary
