**Parramatta Light Rail Stage 2 Enabling Works (SSI-10035)
Pedestrian Design and Landscape Plan (PDLP) (Condition E71)**

Dear Ms Dias,

I refer to the Place Design and Landscape Plan, Revision 1, dated 24 October 25 which was submitted to the Department for approval as required under condition E71 of the SSI-10035. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note the Place Design and Landscape Plan (PDLP), Rev 1:

- has been prepared by an appropriately qualified and experienced expert and endorsed by the project Design Review Panel;
- has been prepared in consultation with key stakeholders including Sydney Olympic Park Authority, City of Parramatta Council, Bicycle NSW, and the Pedestrian Council of Australia; and
- has been reviewed by Transport for NSW with no issues raised with the Department

Accordingly as nominee of the Planning Secretary, I approve the Place Design and Landscape Plan, Revision 1 dated 24 October 2025 in accordance with condition E71 of SSI-10035.

You are reminded that if there are any inconsistencies between the PDLP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katherine Klouda at Katherine.klouda@planning.nsw.gov.au.

Yours sincerely,
