Dear Mr Hodgson,

**Sydney Metro West – Central Tunnelling Package (SSI-10038)
Overarching Construction Traffic Management Plan Version 3**

I refer to the Overarching Construction Traffic Management Plan (CTMP) Version 3 which was submitted to the Planning Secretary for information in accordance with Condition D85 of CSSI 10038.

I note that the amendments to the Overarching CTMP comprise:

- inclusion of the provisions of the 'Five Dock Heavy Vehicles on Local Roads' request, approved by the Planning Secretary on 22 February 2022, and
- minor administrative amendments.

You are reminded that if there is any inconsistency between the Overarching CTMP and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Rokobauer at grant.rokobauer@dpie.nsw.gov.au.

Yours sincerely
