Subject: Westmead Site Establishment Construction Traffic Management Plan for Sydney Metro West  
(Condition D85 of SSI-10038)

Dear Mr. Armstrong,

I refer to the Westmead Site Establishment Construction Traffic Management Plan (CTMP) (revision C, 31 August 2022) which was submitted to the Planning Secretary for information in accordance with Condition D85 of SSI-10038.

I note the Westmead Site Establishment CTMP (revision C):

- Has been prepared in consultation with Cumberland Council, TfNSW and various stakeholders including the Traffic Control Group and Customer Journey Planning and no outstanding issues remain;
- Has been reviewed by Sydney Metro and no issues have been raised with the Department;
- Has been independently reviewed by a road safety auditor; and
- Contains the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the Westmead Site Establishment CTMP (revision C) and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure that this CTMP is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis at [ellena.tsanidis@planning.nsw.gov.au](mailto:ellena.tsanidis@planning.nsw.gov.au).

Yours sincerely
