Subject: Central Tunnelling Package – Construction Spoil Management Plan Revision 6

Dear Ms Doumit,

I refer to your submission requesting approval of the Central Tunnelling Package – Construction Spoil Management Plan Revision 6, dated 26 July 2022 (the CSMP). I also acknowledge your response to the Department's review comments and request for additional information.

I note the CSMP:

- has been prepared in consultation with the Sydney Olympic Park Authority, and relevant councils;
- has been reviewed by Sydney Metro and no issues have been raised with the Department;
- has been endorsed by the ER; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the CSMP.

You are reminded that if there are any inconsistencies between the CSMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Grant Rokobauer at grant.rokobauer@dpie.nsw.gov.au.

Yours sincerely
