Subject: Westmead Heavy Vehicle Local Road Report Site Establishment for Sydney Metro West (D86 of SSI-10038)

Dear Mr Armstrong

I refer to your submission dated 16 August 2022, requesting approval of the Westmead Heavy Vehicle Local Road Report Site Establishment (revision 00, dated 15 July 2022).

I note the Westmead Heavy Vehicle Local Road Report:

- has been prepared in consultation with Cumberland Council;
- has been reviewed by Sydney Metro and no issues have been raised with the Department;
- has been independently reviewed by a road safety auditor; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the use of the specific additional local roads as set out in the Report, Hawkesbury Road and Hassall Street, to directly access the site under Condition D86.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

Please ensure that the additional approved roads are also added to the Construction Traffic Management Plan.

If you wish to discuss the matter further, please contact Minna Kilpelainen at minna.kilpelainen@dpie.nsw.gov.au.

Yours sincerely
