Subject: WTP Construction Traffic Management Plan - Parramatta Site Establishment for Sydney Metro West (Condition D85 of SSI-10038)

Dear Mr Armstrong,

I refer to your submission, the Construction Traffic Management Plan (CTMP) for the Western Tunnelling Package (WTP) for the Parramatta Site Establishment (rev E, 18/08/22).

I note the Parramatta Site Establishment WTP CTMP:

- Has been prepared in consultation with City of Parramatta Council;
- Has been reviewed by Sydney Metro and no issues have been raised with the Department;
- Has been independently reviewed by a road safety auditor; and
- Contains the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail. Any additional heavy vehicle routes not detailed in the EIS will require separate approval.

As nominee of the Planning Secretary, I accept the Construction Traffic Management Plan (CTMP) for the Western Tunnelling Package (WTP) for the Parramatta Site Establishment (rev E, 18/08/22) under Condition D85.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis at Ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely
