Dear Mr Hodgson

**Sydney Metro West Stage 1 (SSI 10038)  
Construction Traffic Management Plan No. 3 – Merton Street to Mullens Street**

I refer to the Construction Traffic Management Plan 3 (CTMP) for Power Enabling Works (Phase A) which was submitted to the Department for information in accordance with Condition D85 of CSSI 10038.

I note that this CTMP is one of four (4) submitted to the Department for Phase A of CSSI 10038 linked to the Overarching Construction Traffic Management Plan and covers Merton Street to Mullens Street.

I also note that the CTMP:

- has been reviewed and approved by Sydney Metro and no issues have been raised
- contains the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the CTMP and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at [grant.brown@dpie.nsw.gov.au](mailto:grant.brown@dpie.nsw.gov.au).

Yours sincerely
