Subject: Burton Street Heavy Vehicle Local Road Report (D86 Of SSI-10038)

Dear Mr. Armstrong,

I refer to your submission dated 7 September 2022, requesting approval of the Burton Street Heavy Vehicle Local Road Report (revision 01, 15 September 2022). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Burton Street Heavy Vehicle Local Road Report:

- has been prepared in consultation with City of Canada Bay;
- has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the use of the specific additional local road as set out in the Report, Burton Street, to directly access the site under condition D86.

You are reminded that if there are any inconsistencies between the approved document and the conditions of approval, the conditions prevail.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

Please ensure that the additional approved road is also added to the Construction Traffic Management Plan.

If you wish to discuss the matter further, please contact Ellena Tsanidis at [ellena.tsanidis@planning.nsw.gov.au](mailto:ellena.tsanidis@planning.nsw.gov.au).

Yours sincerely
