Dear Mr Hodgson

**Sydney Metro West Stage 1 (SSI-10038)
Construction Traffic Management Plan No.1 Addendum**

I refer to the Construction Traffic Management Plan (CTMP) No.1 addendum, which was submitted to the Department for information in accordance with Condition D85 of the approval for the Sydney Metro West Stage 1 project (SSI-10038).

I note that:

- the addendum is in relation to the Power Enabling Works (Phase A) as outlined in the Phasing Report;
- the addendum was required given the closure of the former Balmain Tigers car park on Waterloo Street on 6 August 2021;
- several minor changes to traffic management arrangements are required due to the closure of the car park; and
- Inner West Council have reviewed the plan and no objections were raised.

You are reminded that if there is any inconsistency between the CTMP and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au

Yours sincerely
