Clyde/Rosehill Heavy Vehicle Local Road Report, Condition D86**

Dear Mr Armstrong,

I refer to your submission dated 17 February 2023, requesting approval of the updated Clyde/Rosehill Heavy Vehicle Local Road Report (Rev E, 14 February 2023).

I note the Clyde/Rosehill Heavy Vehicle Local Road Report:

- has been updated to include the route for transport of Tunnel Boring Machine components;
- has been prepared in consultation with the City of Parramatta Council;
- has been reviewed by Sydney Metro and no issues have been raised with the Department;
- has been independently reviewed by a road safety auditor; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the use of local roads as outlined in the updated Clyde/Rosehill Heavy Vehicle Local Road Report (Rev E, 14 February 2023) under condition D86. Please ensure that the Construction Traffic Management Plan is updated, as required under condition D86.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Leanne Mariani at [leanne.mariani@dpie.nsw.gov.au](mailto:leanne.mariani@dpie.nsw.gov.au)

Yours sincerely
