Subject: Approval of Construction Parking and Access Strategy, Phase H, Version B

Dear Mr Marrinan,

Thank you for submitting the Construction Parking and Access Strategy, Phase H, Version B, dated 12 October 2023 (CPAS) on 18 October 2023.

I note the CPAS:

- has been prepared in consultation with the project Traffic and Transport Liaison Group (TTLG),
- has been reviewed by Sydney Metro and no issues have been raised with the department,
- has been endorsed by the project Environmental Representative.

I further note that a maximum of 15 workers will be required on site at any one time for the Phase H works.

Accordingly, I approve the CPAS under Condition D92 of SSI 10038 as nominee of the Planning Secretary.

If there are any inconsistencies between the document and the conditions of approval, the conditions prevail. Please make the document publicly available on the project website as soon as possible.

Please note that any increase in the number of workers required on site at any one time will require an amendment to the CPAS and that additional measures to minimise the use of onstreet parking may be required if that were to occur.

If you wish to discuss the matter further, please contact Peter Hawke at peter.hawke@dpie.nsw.gov.au.

Yours sincerely

A handwritten signature in black ink, appearing to read 'GRANT', with a long horizontal flourish extending to the right.

Grant Rokobauer
Acting Team Leader – Rail
Infrastructure Management

As nominee of the Planning Secretary
