Dear Mr Hodgson

**Sydney Metro West (SSI-10038)
Condition C5(e): Spoil Management Plan**

I refer to the Sydney Metro west Spoil Management Plan, revision 3, dated 27 October 2021, which was submitted for approval in accordance with condition C5(e) of SSI 10038. I also acknowledge your response to the Department's request for information.

I note that the Spoil Management Plan:

- has been reviewed by Sydney Metro and no issues were raised with the Department,
- has been endorsed by the project's Environmental Representative,
- has been prepared in accordance with Sydney Metro's Construction Environmental Management Framework (CEMF), and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Spoil Management Plan (revision 3, dated 27 October 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

You are reminded that if there is any inconsistency between the Spoil Management Plan and the conditions of approval, then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Scott Cooper at scott.cooper@planning.nsw.gov.au.

Yours sincerely
