Dear Mr Hodgson

**Sydney Metro West (SSI 10038)
Unexpected Finds and Human Remains Procedure**

I refer to your submission received 7 June 2021 of two documents, namely the Exhumation Management Procedure (version 5.1, dated May 2021) and the Unexpected Heritage Finds Procedure (version 4.1, dated May 2021) in accordance with Condition D32 of SSI 10038. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the Exhumation Management Procedure and the Unexpected Heritage Finds Procedure:

- have been prepared in consultation with Heritage NSW
- have been reviewed by Sydney Metro and no issues have been raised
- contain the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the Exhumation Management Procedure and the Unexpected Heritage Finds Procedure and the conditions of approval, then the requirements of the conditions of approval will prevail. Please ensure that you make the Exhumation Management Procedure and the Unexpected Heritage Finds Procedure publicly available on the project website.
