Dear Mr Hodgson

**Metro West - Central Tunneling Package (SSI-10038)
Construction Environmental Management Plan (CEMP) and Sub Plans**

I refer to your submissions of the Construction Environmental Management Plan (CEMP), Construction Heritage Management Sub Plan (CHMP), Construction Noise and Vibration Management Plan (CVNMP) and Construction Soil and Water Management Plan (CSWMP) for the Central Tunneling Package of works submitted for approval for SSI 10038. I also acknowledge your responses to the Department's requests for information.

I note that the CEMP and sub plans:

- have been reviewed by Sydney Metro and no issues were raised with the Department;
- have been prepared in consultation with relevant councils and agencies where required;
- have been endorsed by the Environmental Representative or Acoustic Advisor; and
- contain the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the following documents:

Document	Revision and date
Construction Environmental Management Plan	Revision 3, dated 9 November 2021
Construction Heritage Management Sub Plan	Revision 3, dated 16 November 2021
Construction Soil and Water Management Plan	Revision 3, dated 3 November 2021

I also approve the Construction Noise and Vibration Management Plan, Revision 3, dated 6 December 2021 subject to you resolving consultation with Sydney Olympic Park Authority (SOPA) in accordance with the requirements of condition C5. I understand that Sydney Metro is continuing to engage with SOPA to resolve the issues raised.

You are reminded that if there is any inconsistency between the approved plans and the conditions of approval then the requirements of the conditions will prevail.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au

Yours sincerely
