Dear Mr Hodgson

**Sydney Metro West (SSI-10038)
Parramatta Construction Parking and Access Strategy (CPAS) – Revision 4**

I refer to the Parramatta Construction Parking and Access Strategy (CPAS) Revision 4 which was submitted to the Department in accordance with Condition D92 of the approval for the Sydney Metro West project (SSI-10038).

I note that the Parramatta CPAS Revision 4:

- has been updated to include the provision to temporarily remove five (5) parking spaces in the Macquarie Lane car park for up to one month;
- has been reviewed by Sydney Metro and no issues have been raised; and
- contains the information required by the conditions of approval.

I also note that, as per the previously approved version, access to the Macquarie Lane car park will continue to be maintained for public parking.

As nominee of the Planning Secretary, I approve the Parramatta Construction Parking and Access Strategy Revision 4, dated 9 December 2021 under condition D92 of SSI 10038.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au

Yours sincerely

Jake Shackleton
Director – Infrastructure Management
