Alex,

Thank you for your submission for the above development to Fire & Rescue NSW (FRNSW) for review and agency input.

It is deemed that the proposed modification has limited relevance and application in regard to fire and life safety, and as such FRNSW submit no further comments or recommendations for consideration.

If you have any queries regarding the above please contact the Fire Safety Infrastructure Liaison Unit.

Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Regards,

SUPERINDEPENDENT JOHN HAWES

Tatsiana,

Please accept my apologies for the incorrect details provided in the response earlier today.

The response from FRNSW relates to SSI-10040 as IS NOT a “proposed modification” as stated in the previous correspondence.

I trust this clarifies the matter.

Thanks and regards,

Superintendent John Hawes
