Dear Iwan Davies

**WSC COMMENTS ON DRAFT MINISTERIAL DIRECTIONS – PROJECT ENERGY CONNECT NSW WESTERN SECTION**

Thank you for the opportunity to provide comment on the draft Ministerial conditions. I have reviewed the conditions and make the following comments:

Condition D1, page 14, allows the planning secretary to alter the hours of operation for works. This condition should be amended to provide notification to Council if and when this occurs.

Condition D3, page 14, addresses an Out of Hours Work Protocol. Council should be consulted in the creation of such a protocol and grater clarification is needed regarding what may be considered low/high risk activities.

Conditions D33 and D34, pages 18/19, need to be amended to include notification to Council if and when this occurs.

Should you require any further information please do not hesitate to contact the Health & Planning Department on 03 5027 5027.

Yours sincerely

**MATTHEW CARLIN  
DIRECTOR HEALTH & PLANNING**
