Subject: Project EnergyConnect (NSW - Western Section) Stage 2 (SSI 10040) - Condition D38
Compliance Statement

Dear Mr Fisher

I refer to the Stage 2 Compliance Statement Revision C, dated 21 July 2022 which was submitted to the Department for approval as required under condition D38 of SSI 10040.

I note the Stage 2 Compliance Statement:

- includes mitigation measures consistent with those identified in the Stage 1 Traffic Strategy;
- includes the relevant implementation details for each mitigation measure;
- has been reviewed by Transgrid and no issues were raised; and
- contains the information required by condition D38 as detailed in the Department's letter dated 20/05/2022.

As nominee of the Planning Secretary, I approve the Stage 2 Compliance Statement Revision C, dated 21 July 2022 under Condition D38.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact me on (02) 9274 6495.

Yours sincerely

Dominic Crinnion

Acting Director
Infrastructure Management
