Stage 2a Aboriginal Cultural Heritage Strategy

Dear Mr Fisher

I refer to your submission dated 9 September 2022, requesting approval of the Aboriginal Cultural Heritage Strategy for Stage 2a prepared by Everick Heritage, dated 2.9.22.

I note the the Aboriginal Cultural Heritage Strategy Stage 2a:

- has been prepared for 'Stage 2a' of the project, in accordance with the staging approach approved by the Planning Secretary on 19 July 2022;
- incorporates the Aboriginal Cultural Heritage Assessment Report (ACHAR) for Stage 2a;
- has been prepared in consultation with the Aboriginal stakeholders and Heritage NSW;
- has been reviewed by Transgrid and no issues have been raised with the Department;
- has been endorsed by the ER; and
- contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of condition D29.

You are reminded that if there are any inconsistencies between the Aboriginal Cultural Heritage Strategy (Stage 2a) and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact me on 02 9274 6495.

Yours sincerely
