Stage 2 Heritage CEMP Sub-plan update

Dear Mr Fisher

I refer to your submission of the updated Heritage CEMP Sub-plan for Stage 2 of this project. I acknowledge the updated document has been provided to reflect the findings of the Aboriginal Cultural Heritage Assessment Report (ACHAR) Stage 2a recently finalised and submitted to the Department.

I note the updated Heritage CEMP Sub-plan:

- has been prepared to reflect the ACHAR Stage 2a, which was prepared in consultation with Aboriginal stakeholders and Heritage NSW;
- has been reviewed by Transgrid and no issues have been raised with the Department;
- has been endorsed by the ER; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Heritage Management Plan — EnergyConnect (NSW – Western Section) — Stage 2 — 45860-HSE-PL-D-0022 (Rev 1, dated 14/09/2022).

You are reminded that if there are any inconsistencies between the updated Heritage CEMP Sub-plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact me on (02) 9274 6495.

Yours sincerely
